**INFORMATION DISCLOSURE STATEMENT and REQUEST FOR CONSIDERATION OF
PREVIOUSLY FILED REFERENCE**

Please consider the references listed on the enclosed Form PTO-1449. Foreign patent documents and non-patent literature are enclosed; cited U.S. patents and patent application publications will be provided on request.

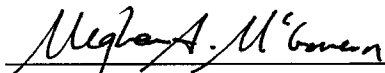

For the Examiner's information, an English-language Abstract of Document AL was filed in this case on September 1, 2006, and the Examiner indicated his consideration of it in the Office Action mailed March 12, 2007. Applicant now submits herewith an English-language, full translation of that reference and respectfully requests that the Examiner consider this full text version.

On April 15, 2004, Applicant submitted an Information Disclosure Statement and a Form PTO-1449. However, when the PTO-1449 was returned, it was noted that one of the references had not been initialled by the Examiner, namely, document ACC on the attached initialled copy of the PTO-1449. It is therefore respectfully requested that the Examiner consider that reference ("International Search Report (Application No. PCT/JP03/15140) dated January 20, 2004"), and return the initialled Form PTO-1449 to the undersigned.

This statement is being filed after a first Office Action on the merits, but before receipt of a final Office Action or a Notice of Allowance. The \$180 late submission fee under 37 CFR §1.17(p) is enclosed. Please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: August 13, 2008
